This year's Day for Life, Sunday 15th June 2025, is an invitation to pray for those who suffer and to remain with them like the Good Samaritan, bearing witness to their unique and unrepeatable value. We see this closeness in the generous and fruitful service of

healthcare professionals, whose mission continues even when there is no longer any prospect of physical healing. We see it in another way in families, carers and chaplains who support their brothers and sisters who are sick or frail or struggling with the many burdens of life. As Christians, we affirm them and hold out to them the hope of Jesus Christ who does not disappoint us. To read the full bishops' message visit www.councilforlife.ie

We offer our grateful thanks to Fathers Laurence Gallagher and Fr Dan Baragry from the Redemptorist Community for leading us on our very successful and inspiring mission this week. It was an extraordinary time of prayer and renewal.

As the we reach the conclusion of this blessed week, we assure them that the seeds they have sown have landed on fertile ground, and that the life of this parish has been strengthened and unified by their untiring work and generosity of spirit. Many thanks to the Parish Council for their preparation and work during this time, and to all who took part in the various ways we witnessed throughout. And thank you to all who came along to participate and make the mission the resounding success it was.

Refugee Week from 16-22 June celebrates the resilience of those forced to leave their homes in search of safety. In mid 2024, it was estimated over 122 million people have been forced to leave their homes worldwide in search of safety. 68 million of these remain internally displaced within their own countries while 38 million are refugees and over 8 million people seek safety or asylum in other countries. Most of these people seeking refuge or asylum, over 70%, stay close to their countries of origin while just five countries host a third of refugees and people seeking asylum; Colombia, Germany, Iran, Turkey and Uganda.

Like all of us, refugees and people seeking asylum have rights, needs and dreams. Refugee Week aims to mobilise both political will and community support to help people not only survive but thrive.

The theme for this year's Refugee Week is "Community as a superpower". Communities can bring people together, bridge divides and offer support. We see this every day in our schools, workplaces, sports clubs and family resource centres, to mention but a few, where a smile or an act of kindness can help people feel they are part of the community and they belong.

For more information, check out the websites of the Irish Refugee Council and Refugee Week Ireland.

JUNE IS THE MONTH OF THE SACRED HEART: On Sunday 22nd June Archbishop Eamonn Martin will celebrate mass in the Basilica in Knock at 3pm where he will also re-consecrate Ireland to the Sacred Heart of Jesus. People from all over Ireland are being encouraged to attend this very significant event for our nation.

Welcome

Our mission began with the baptism of little Leia Ann Bridget McCloy who was baptised as we explored the meaning of our own baptisms. Thanks to the McCloy family pictured for allowing us this privilege.
