Congrats

Our latest Nonagenarian Dolly Breslin celebrated her 90th birthday last weekend in the loving presence of her family and friends in her home in Roshine. She recalled how her mother had been on Inisfree teaching and went into labour two months early on the boat on the way back to the mainland, and how she had given birth to Dolly in the very same house she lives in now. 90years and a lot of mileage later, we were pleased to bring Mass to her house as her faith has always been her companion throughout her busy life. Happy birthday Dolly!
